Our guest speakers

Melanie Annand

President of Women Veterans Network Australia

A Royal Australian Navy veteran, mental health support worker and advocate with more than 16 years' experience supporting veterans and families. Melanie champions recognition, wellbeing and connection for women veterans. Her contribution has been recognised with Life Membership of RSL Australia.

Alison Lee

Lieutenant Colonel CSM (Retd)

An aeronautical engineer and former senior Army officer with operational service in East Timor, Iraq and Afghanistan. Alison's career spans aviation maintenance, technical leadership and defence industry. She brings insights into military service, engineering and leadership.

Julie Fedorniak

Warrant Officer Class Two ART VEH (Retd)

Julie's 21-year Army career encompassed vehicle maintenance, technical leadership and training. A RAEME vehicle mechanic and former Artificer Sergeant Major, she later moved into civilian fleet management. Julie will share her experiences of Army service and the transition to civilian employment.

Chontelle Anderson

Vehicle Mechanic

Joining Army in 2014, Chontelle was ASEME Trainee of the Year in 2016 and the first female Craftsman seconded to Erebus Motorsport in 2020. Her service spans Darwin, Adelaide and Port Wakefield, earning a Commander's Commendation. Now with 14th Regiment, RAA, she has helped establish its workshop and prepare it for Initial Operational Capability.
